# PRESIDENT'S REPORT

## PRESIDENT'S REPORT

Hi Everyone,

Wow, what a month it's been. CAMS have lost a great lady in the office; yes Laurene has left the building! I, along with Peter Cirillo &

Rob Thiry attended her farewell do at the Tap Inn, Kent Town on Friday the 17<sup>th</sup> July and presented her with this flag that was signed by many of our members. She was so pleased that we took the time to make this "lovely gift" Yes we got tears. Sorry

I couldn't put it in print earlier, but she does read this newsletter. The Flag was available for members to sign at 3 General Meetings & 2 Race Meetings. I want to thank everyone who contributed signatures to this gift.

At the last General Meeting we had Glen Dix attend as a special guest. Glen spoke very openly about his experiences as a Motor Race Official and passionately about his support for local charities. Like many other members I found his talk fascinating and Glen enjoyed his evening with us. Glen was one of several special guests we have lined up to talk with us this year.

I want to thank Peter Cirillo & David Castrechini for their efforts in putting together the Fire Training Day that was held on Sat 18<sup>th</sup> at A.I.R. I know of the organisation that went into that morning, and I believe it went off without a hitch. But I can't see Peter leading an aerobics class just yet, can you? You can read more about this in T&CC Report. Thanks very much guys, well done!

**Cover Photo:** Adam Litchfield in action at the recent Fire Training Day.  
**Photo:** Andrew Leitch  
Any photo or other contributions are gratefully accepted.

The next General Meeting will be our Annual General Meeting; this is where you can determine the shape of the next General Committee. If you have something to contribute to SAMROA, don't shout it from the sidelines – become a member of the Committee and discuss it in a friendly / non judgemental atmosphere. I'm sure the current General Committee have enjoyed the past year, I know I have, with it's challenges & rewards by means of the associations growth and continued public exposure, *(the association - not me!)*

I wish to thank all current serving Committee Members – General, T&CC & Social for all their efforts over the past 12 months. For those stepping down for a rest, that rest is well deserved. For those staying on, we will continue on the path we are on. I firmly believe it's the right one.

And finally to all members, thank you for the past 12months, if elected for a 2<sup>nd</sup> year I'd like you to know that I will still be as accessible to you as I was this year.

So to end this year's Presidents Report I (as always) invite you to attend our General Meeting & AGM on the 19<sup>th</sup> August at 8pm at the Veneto Club.

See you all there!  
Cheers

Paul Hart  
President  
S.A.M.R.O.A.

2008/2009 General Committee with Glen Dix (OAM)

## T&CC Report

Hello everyone,

Yes we did have the Fire Training Day on the 18th July! I'd like to thank Women for Wheels for conducting the day, and also like to thank the 40 people who attended.

It was a very informative session. We began the day by having everyone signing on and a little quiz to see who could pick the fire extinguisher which wasn't supposed to be with the dry powder extinguishers. Well done to the people who spotted it straight way. It was a foam extinguisher that looked like and had the markings of a dry powder. We then had 30 – 40 mins of theory with Robin. Then we moved off to the lawn area where we had a 5 min stretching of the muscles to warm everyone up. I would like to stress this should be done at every race meeting at the start of the day and during the day at the flag points, to warm the muscles in the body and to prevent any strains or pulling of the muscles when you go to run to an incident or jump over a wall.

We then moved out to the back and started playing with fires. We started first with extinguishing standing fires which we all worked in pairs, then dry powder and foam.

We also had two of the fires lit using E85 fuel (no-one knew it was lit with E85) and it was put out with ease. So much for all the concerns with E85 fuel.

The only difference between the Supercars E85 is that the fuel has a green dye and is mixed with unleaded 98 octane, where the local cars are using E85 which is clear and mixed with normal unleaded.

Our next exercise was to run with an extinguisher, stop and pull the pin and extinguish the fire. This was left up to the members who were feeling capable of doing this, so teams of 2 x 2 were formed. So it was 2 dry powder, backed up with 2 foam to seal the fire.

It was noted that when running with an extinguisher that you would run at 75% effort so you still would have 25% of energy left to fight the fire.

We believe it was a well informed training day and enjoyed by everyone. Again, thank you all who attended.

## T&CC Report (Cont.)

We'd also like to thank everyone, including the new people, who came out and helped at the Superkart and Mod. Reg. on the 2nd of August. It was good to see the officials who had stopped karts on the circuit, get out there and push the karts off the circuit and get the drivers over the wall. This was all done using their skills to keep themselves safe first and also covering the flag points with the appropriate flags. Also, job well done to flag point 8, when the Mitsubishi Evo hit the wall at club house.

It has been brought to our attention we need to be on the look out in all categories, for vehicles pushing or forcing other competitors off the circuit or blocking or making contact, ie. Driver Conduct. There have been too many that we have missed. We need to be more vigilant. I know we all get tired and lose concentration, especially on an extremely cold or hot day.

We would also like to thank everyone who will be attending the HQ Endro on the 15th Aug, Unfortunately due to this newsletter being written before this event we cannot comment on the performance of everyone on the day, so stay tune to next month's newsletter.

We need lots more names, and all the help we can get as we are short for the following events.

### UPCOMING RACE MEETINGS

SCCSA Round 3	12/13 Sept Start TBA	Chief: Adam Litchfield

*Sometimes, it helps to be specific: I rang kennards the other day and asked them if I could have a skip out the front and they told me I could go and do cart wheels for all they cared.*

## T&CC Report (Cont.)

One of the roles the T&CC is to monitor how everyone is going – their skill levels and areas where additional training/instruction/experience are needed. This includes our seniors/team leaders, particularly as we have some new people moving up in to more senior roles.

In order to try to obtain better feedback from team members, we have put together a new performance sheet, this is to be filled out by everyone on the flag point and given to the Chief Flag only at the end of the day. The idea is to identify areas where the seniors may need more instruction/coaching to help them along.

We also have modified the senior's performance sheet, which he will need to assess himself as well as assessing each team member on their performance.

To get your license signed off at the end of the day, seniors will need to have completed their performance sheets and individual team members need to have their performance sheets filled in and handed back to the Chief Flag.

At the August general meeting we will be taking nominations for the T&CC. If you are interested in standing for a position, you will need to be a minimum of a Bronze level license. Get someone to nominate you. This is an interesting way to see how the club works and how we train our members. There will be only four positions available for the floor, 2 come down from the general committee and 1 is the OH&S Rep, which is a total of 7 people. We meet on every 2nd Wed of the month at the Venuto Club, and our meetings start at 7.30pm.

Well that all from us for now.

Hope to see lots more of you at the General Meeting on Wed night 19th August.

Peter and all the T&CC crew.

**Editors Note: The Reward & Recognition scheme points table for 08/09 has been included inside the mailing slip of this newsletter. If you have any questions/queries regarding this table, please see a T&CC member by the end of the AGM/General meeting on Weds 19<sup>th</sup> August so this table can be finalised before the annual dinner.**

## SOCIAL COMMITTEE REPORT

### Annual Dinner

The Annual Dinner is planned for Saturday 22<sup>nd</sup> August at Dimples Restaurant, TTG Golf Club at 6:30.

## **Membership Season**

Reminder that memberships ran out at the end of June. Peter Tann is currently accepting renewals. If your membership is not current, you will find a red dot on the cover of this month's mailing slip.

**A reminder that you must be financial in order to vote at the AGM**

## **Office bearer Positions**

At the July General Meeting nominations will be taken for the Office Bearer positions for the 2008/9 General Committee. Here is a short summary of the duties of each position to assist people to encourage others to nominate (or to put their own hand up...).

### **President**

The senior member of the Association, chairperson of General and Committee meetings and very much a leader. Responsible for contacts outside the Association, but these are often delegated.

### **Vice-President**

Assistant to the President. Chairperson of meetings in the absence of the President.

### **Treasurer**

Responsible for the financial records of the Association. Prepares a report for General Meetings and Committee Meetings. The job is straightforward, merely requiring the issue of a receipt for all monies received and their banking plus the issue of a cheque for all approved payments. Payments are required to be approved by the General Committee. Bank account to be reconciled regularly. Preparation of lists from time to time of financial members for advice to the Secretary.

### **Secretary**

Preparation of minutes of General and Committee Meetings, keeping of membership records, correspondence IN and OUT, including responses to new membership enquiries.

### **Assistant Secretary**

Preparation of mins. in the absence of the Secretary. Controller of merchandise and maintain membership records.

### **General Committee members**

All of the above persons are members of the General Committee, plus FOUR others elected at the Annual General Meeting. The primary duty of the four elected members is to attend the meetings of the General Committee and of course contribute to the work of the General Committee.

## Office bearer Positions (cont.)

During the year the General Committee may make appointments of one of its members to the Training and Competition Committee, Social Committee, appoint a delegate to the State Council of CAMS, to the Motor Race Panel and to the State Officiating Panel of CAMS. The person filling these positions reports back to the General Committee and as members know to General Meetings also.

The General Committee will make its own determination as to when it meets. The first Thursday evening of each month has been the timing of General Committee Meetings for the past year.

The requirements of the above positions may seem a little daunting, but they should not be seen in that light. Whilst they do require a commitment, committee members in the past have coped well with the work load. Membership of the group of four elected at the General Meeting has proved to be an excellent introduction to the workings of SAMROA and has enabled many members to contribute to the Association, including many relatively new members.

Please consider how you can be involved and also be prepared to approach other members if you consider they can make a contribution. A strong Committee goes a long way to making SAMROA the kind of organisation of which we can be proud.

Please feel free to contact any Committee member if you would like to be considered for appointment or to discuss the matter further.

## Annual General Meeting: Nominations

The following nominations for the General committee have been received:

**President:** Paul Hart

**Vice President:** Andrew Robinson

**Secretary:** Paul Bonnett

**Assistant Secretary:** Darren Matiske

**Treasurer:** Peter Tann

**General (4):** Tony Aloj, Scott Chammings, Glen Malthouse

This leaves an unfilled position for a general committee member. Nominations for all position are open until the commencement of the AGM. Nominations for the T&CC will also be taken at the AGM with elections to be held at the September general meeting.

## KWIK STIX Sponsoring SA Officials

**Kwik** Stix are sponsoring Motor racing officials in South Australia by providing over 2,000 gift vouchers to officials working at events.

People who have been to their restaurants will agree that they provide great food and good service at a good price.

The new meal vouchers are now for "**one main meal**" at all restaurants owned by The New World Lifestyle group. The New World Lifestyle group own several restaurants throughout Adelaide

**Note: These vouchers are only for the restaurant specified on the voucher**

## Help needed: MX5 Club National meeting Hillclimb Easter 2010

My name is Ed McCaul I am the current President of the MX5 Club of SA. we will be hosting the next national meeting At McLaren Vale Easter 2010 from the 2<sup>nd</sup> to 6<sup>th</sup> of April, I have applied for and received approval from Onkaparinga Council for a road Closure on the Sunday Morning, I have applied to the SA Police and have approval from them. **Our problem now is not having the currently approved officials required by cams to make an application.** I have spoken to cams and it was Cams that suggested that I contact you. I personally was an official on 9 Grand Prix Rallies and Roger Trethewey has been Stage commander on the last two Willunga hill climbs for the Classic, and will be again for the next one. I know Easter is a busy time with all the Historic events, but if there is any way you can help it would be much appreciated.

## Help wanted at the SAMROA promotional display 2009 GAWLER SHOW - SATURDAY 29<sup>st</sup>, Sunday 30<sup>th</sup> AUGUST

The Gawler Show is the largest rural agricultural show in South Australia and is an annual 2 day event held in late August or early September each year.

Gawler is located approximately 30kms from Mallala and a major population centre in the north with 19,000 residents and many more large population centres in the surrounding districts. The Gawler Show attracts up to 30,000 visitors over the 2 days and is a perfect opportunity to recruit more volunteer motor racing officials.

CAMS will be supporting this promotional event. SAMROA has a 6x3 Trade space to promote the club and recruit new volunteer motor sport officials.

We have a Superkart as an eye catcher and plenty of signage from CAMS.

For those that grew up in Gawler or the surround districts, this may be a great opportunity to catch up with old friends. For those that have not been to the Gawler show before, there will be a chance to have a wander around and have a look at the 5,000 exhibits, including animal exhibits, 200 trade sites, nearly 30 catering sites, over 26 sideshows and rides, wide variety of Show bags, heaps of entertainment and other attractions including the Tasting SA Pavilion showcasing local gourmet food & wine, Animal Nursery, Wood chopping and lots more.

**Please contact Darren Mattiske if you are able to help.**

### *Sometimes, it helps to be specific #2:*

*Bob was in trouble. He forgot his wedding anniversary. His wife was really annoyed.*

*She told him "Tomorrow morning, I expect to find a gift in the driveway that goes from 0 to 200 in 6 seconds AND IT BETTER BE THERE !!"*

*The next morning he got up early and left for work. When his wife woke up, she looked out the window and sure enough there was a box gift-wrapped in the middle of the driveway.*

*Confused, the wife put on her robe and ran out to the driveway, brought the box back in the house. She opened it and found a brand new bathroom scale.*

*Bob has been missing since Friday.*
