# President's Report

Last month's AGM saw the welcoming in of a new committee. With that, we say thank-you to the outgoing committee members of Jodie Johnson and Lisette Hutchinson and welcome on to the committee David Castrechini, Chris Hutchinson and Steve Lewis.

Nominations are being taken and elections will be held for the T&CC at the October General Meeting on the 12<sup>th</sup> at the Reepham Hotel. Several of us attend early and have a meal so come along and join us. Remember to be a member of any committee or to take part in the election of a committee you must be a current financial member of SAMROA. There is a nomination form attached to this newsletter please complete and forward to [secretary@samroa.org.au](mailto:secretary@samroa.org.au) or alternatively bring to the meeting in October.

A number of our members are travelling to Singapore in coming days for the F1 Grand Prix. We wish them safe travels, a safe and enjoyable event and look forward to hearing their stories upon their return.

At Tuesday night's committee meeting I advised the committee that a business has donated a Chief flag vehicle which is exciting news. There will be a further update in next month's newsletter when we should be in receipt of the vehicle.

A big thank you to Lisa Totani for selling so many of the community lottery books that we had to sell. Unfortunately, we have only sold around half of the books which is a little disappointing. The club traditionally buys what we have not sold which again is the case this year.

During the course of the year there will be some exciting things happening for members so if you see people trackside that come out and flag, or participate in other disciplines encourage them to become a member.

Please remember for your CAMS licence to be renewed that you need to record and have your log book signed as you will need to send this in with your renewal form. Also note that your licence is both the plastic card and the participation book.

## President's Report (Cont.)

A great time was had by all at the Annual dinner, with Congratulations going to Matthew Avery, Club Member of the year, Elise Lopez Most Improved Official and Paul Papanikolaou the Most Enthusiastic Award. Along with this some fabulous Official awards were presented to Andrew Robinson, Bronwen Williamson, Graham Church, Jodie Johnson, Paul Bonnett, Peter tan, Keith Williamson, Ray McGuinness and Tony Aloï congratulations and well done.

Please remember to get your name down early and that if you would like to do the AMF (Adelaide Motorsport Festival) in November please contact Keith Williamson at the Sporting Car club on 82715689 or complete the form attached to this newsletter and return the same to Keith. Please remember that this event is conducted outside of SAMROA thus is not on our database.

See you all trackside soon.

# T&CC Report

Hi peoples, here we are, early in September and that usually means that we would be nominating and voting in a new Training Committee. At our AGM last month, the vote was taken to go back to bi-monthly General Meetings which means the next one will be 12 October. What this means for the T&CC is that the nominations will go for a month later and voting will be taken at that meeting. In this edition of the Newsletter will be a Nomination Form, if you wish to nominate (are you [Min] Bronze level and are you financial??) you will need to return the form filled out, seconded by a SAMROA member and SIGNED by both parties. (No, that's right, we haven't done this before but we now have to abide by the SA Association Incorporation Act so these forms are introduced) I have already advised that I will step down as Chairman, so far I have Nominations for Darren Mattiske, Chris Hutchinson, Shaun Halliday (WHS) and Brad Morrison. (Any other nominations are probably best scanned and emailed to me: [secretary@samroa.org.au](mailto:secretary@samroa.org.au) if you need to post them, give yourself plenty of time as the nominations will close on the night of the meeting)

So what do we have in upcoming events?? By the time this Newsletter "hits the streets" the Superkart / Modern Regularity event (11 September) will have been run and then we can prepare for the annual pilgrimage to the Mountain (6 – 9<sup>th</sup> October) After that, there will be three more events; Superkarts / Modern Reg: October 16 and the back-to-back Mallala Masters (Rnd 4) Twilight / Superkarts / Modern Reg on November 12 / 13.

To close off our year, the week after is the Adelaide Motorsport Festival (19 – 20 November) You are reminded that this is not a SAMROA event so if you wish to attend, fill out the included form and return it to Keith Williamson at the SCC of SA.

Just like to say one thing regarding the back-to-back events in November, I hope this year, these events will be as well attended by SAMROA Officials as they have been in the previous years – the calendar is put together by the dates supplied by Mallala Motorsport Park – we just need to continue being professional, enjoying and supporting the SA Motorsport community.

## T&CC Report (Cont.)

Over the last couple of Newsletter reports, we have mentioned First Aid re-certification, this will still occur and we are well aware that most of our current certificates expire around November 2016. We are just in the process of finalising some quotes and then we'll have an idea who can offer us the best training.

T&CC is Training and Competition and I personally find it somewhat disappointing that this year we haven't had the numbers attending our events to be able to put you guys into the new positions that you have requested. At a bare minimum, we need 20 to 22 officials to adequately man all the positions (not including CoC / Assistant) – sometimes we only get 19 to 20, can you see the dilemma?? We need to fill the positions first before we can even consider doubling up for training!! Please don't give up requesting those positions, I also know how disconcerting it can be waiting for those positions to open up but you need to be patient and committed to SAMROA. Janelle (as our new President) has introduced some incentives that may improve the numbers and the warmer months are getting closer so hopefully things can "look-up"

With the warmer months approaching, this also brings our other hazards – heard on the news tonight that our slippery friends are starting to hatch so be careful in the long grass – the browns are especially "angry" when young and they don't usually back down! Also don't forget: Hydration, Hat, Sunscreen to name a few but I'll leave that to Shaun (WHS officer) to explain that in an upcoming article.

Hope to see you all out at Mallala for the last three events of the year, enjoy the racing, stay safe and most importantly look after one another.

Good luck to the new T&CC but I won't be too far away to offer assistance if requested.

Paul B and the T & CC.

New President (Janelle Orrock) firstly thanked the outgoing members for their contribution during the year and then congratulated the re-elected / new committee members for 2016 / 2017.

**General Business**

- New President asked all that attended tonight's meetings if the Reepham Hotel is suitable as a venue for our General Meetings and if all were happy to remain with the monthly meetings or change back to every second month.

All in attendance had no problems with the Hotel as a suitable venue and decided that SAMROA should return to Bi-monthly meetings. (This will affect the voting of the new T&CC which was scheduled for September, however this was thought to be a minor problem. Also October General meeting may need to be moved as it clashes with Bathurst 1000)

With no further General Business, the meeting was closed at 21:15 (9:15 pm) and all attending members and guests were invited for a few drinks at the bar.

**Next AGM:** *Wednesday 09 August 2017*  
(Members to be notified of any Venue changes for 2017 meeting)

## **2015 / 2016 Secretary Report “The Year That Was”**

Up until 2011 / 2012, SAMROA's membership had been a fairly healthy 70 financial members. For some unknown reason, the last couple of years have seen us “struggle” with the mid to high 50s.

It was no different for 2015 / 2016, SAMROA comprised of 58 Financial plus 12 Life Members. At the time of writing (last Weekend) we currently have 13 Financial, 45 Non-Financial and 17 Potential Members on the database.

The Association's new General Committee was formed at the August 2015 AGM;

President: Bronwen Williamson

Vice President: Janelle Orrock

Secretary: Paul Bonnett

Asst Secretary: Darren Mattiske

Treasurer: Ray McGuiness

Committee Members: Jodie Johnson, Shaun Halliday, Lisa Totani & Lisette Hutchins.

The September 2015 General Meeting saw the formation of the new T&CC,

Chairman: Paul Bonnett

Secretary: Jodie Johnson

WHS Representative: Shaun Halliday

Committee Members: Shaun Field, Chris Hutchinson & Chris Anderson.

Social Committee for the year:

Janelle Orrock, Matthew Avery & Lisa Totani.

As we have come to expect, when you mention the Social Committee, we have to report on the Association's Annual Dinner – for 2015, it was held at the Sporting Car Club of SA's Clubroom. MC

for the night was Liam Meegan and a big thanks also to Bruce & Tracy Combes for the display of their cars.

On the night of the dinner comes the announcement of the SAMROA Award Winners:

2015 Club Member of the Year: (Kay Morisset Award)

Someone who devoted a lot of time behind the scenes over many years (and also over some difficult times recently) with very little recognition: Rod Mountifield

And 2015 Most Improved: Dillon Robinson.

And how can we not forget of us finally managing to make Peter Cirillo speechless (for a short time at least) by awarding him with Life Membership.

January 30 2016, was the night of the CAMS Awards Dinner and once again SAMROA did good! Last year it was Lisette Hutchins who had the first name on the SA Junior Official of the Year award; this year it was Lisa Totani. If we get one more name from SAMROA next year do we get to keep it??

Also Darren Mattiske received a CAMS Service Award for his services to Motorsport. And to “top it off” SAMROA was honoured to receive the Chaplain’s “Above and Beyond” award – Pretty good haul once again don't you think??

In my report at last year’s AGM, I made mention of two weddings, Adam & Minny and Brad & Meegan. Some good news came from Adam and Minny recently with the impending birth of their first child but all of us were genuinely heartbroken when not long after the marriage of Brad and Meegan, Meegan was diagnosed with Cancer. Unfortunately she lost the battle just before New Year’s Day and no words can express the loss to not only Brad but to all who knew Meegan. Our thoughts and best wishes will always be with you Brad.

7<sup>th</sup> October 2015, Ally & Ben Anderson welcomed little Aiden Christopher into their family.

November 2015, the Pinery Bushfire got mighty close to Mallala luckily only burning-out a couple of disused out buildings, Matthew Avery turned 21 and we finally managed to lose that trophy that had always gathered dust in the shed. (ASC can keep it for a while!!)

Two of our longer serving members also decided to hang up their flags recently, David Micallef and John Stacey. Both of them had recently had health scares so decided that it was time to relax on weekends – hope all is going well.

For season 2015 / 2016, SAMROA officials have once again been active in all aspects of motorsport (Speed, Race and Rally) While most of us were happy enough to cover the local events here in Adelaide, others travelled interstate and even overseas to participate in their favourite classes. The 12 Hour at Bathurst is one with a growing interest but we can't forget Supercars and F1 with Melbourne and Singapore being the most popular venues.

SAMROA is once again participating in the People's Choice Community Lottery, this year we reduced back to 50 books as these days we can also sell tickets online. So far Lisa has managed to sell a good majority of the books during Events at Mallala with a last ditch effort at the upcoming State Round. We still await the news that we have sold a winning ticket or even better, some-one we know actually wins something!!

So to close, tonight, we will vote in the new Committee and a new T&CC next month. A few of our members will be stepping down and we thank them for their commitment throughout the year. It is good to see that most members are re-nominating for their positions and if successful it will allow us to guide SAMROA and also plan for the impending opening of the Taillem Bend Motorsport Park.

As the build continues and the excitement grows, the plain truth is that this circuit is going to put increased pressure on our existing membership base if we don't start looking at recruiting new members – especially in that neck of the woods. The Committees

must also remain focused on the retention, training and advancement of the younger people in our Association – we keep on saying this but the experience will not be around for ever and they are our future Chief Flags and Race Control personnel.

Thank-you.

## Social Committee Report – Dinner Wrap up

Thank you to all 72 guests that attended our 38<sup>th</sup> annual dinner last month at the Sporting Car Club. The night was an outstanding success with plenty of laughs, fine wine, tasty food and great company. Congratulations to everyone who received a Fabulous Official or service award, your dedication to SAMROA and motorsport in general is commendable.

We were proud to present the following people club awards – Congratulations to Matt Avery for being named Club Member of year. Matt's commitment towards SAMROA is not only reflected by his attendance out at Mallala but include his presence at general meetings, assisting on the social committee and making the dinner video.

Congratulations to Elise Lopez for being named the Most Improved official. Elise has grasped the concept of our role as flag marshals and demonstrated great skill and technique at the events she has attended.

Congratulations also to Paul Papanikolaou on his enthusiasm award.

For those who missed it, there were a few 'silly' awards presented on the night including a Girl Guides sash to Chris Anderson and a mega lottery ticket to Lisa Totani. I'm sure they will be happy to explain why they received their awards!

This year's R&R scheme was a huge success with a variety of motorsport and non-motorsport related gifts donated by our members and various organisations. Our attention now turns to next year so please keep an eye out for any potential donations – especially those travelling to motorsport events interstate and overseas.

We will now turn our attention to the Christmas BBQ planned for December 10<sup>th</sup> at the Birdwood Motor Museum. This will be another enjoyable family event in the beautiful Adelaide Hills. Keep an eye out for more details in the upcoming months.
