## President's Prattle

### *Welcome to the June/July Newsletter*

First up I'd like to thank all the committee for keeping the organisation running whilst I have been re gaining my strength following my stroke in January. It has left me with no physical disabilities but did leave me quite fatigued. I'm getting stronger and will now be taking more control of the day to day running of the organisation.

As was mentioned previously by the Vice President, Tony Aloï, we've gone from having no Supercar events this year to having 2 events. One will be held at The Bend in July and, of course, the other being The Adelaide 500 in December.

I'd like to thank all our members, both old and new, for their continued support at the various events held so far this year, I know it can be difficult but your efforts are really appreciated. Again, a big thank you.

Our annual dinner is going to be held on 3 September at The Maid, further details will be provided closer to the event.

Our next General Meeting is Wednesday 8 June to be held at The Maid Hotel, 1 Magill Road, Stepney starting at 1930. The committee and some others arrive around 1815 to have a meal and get together prior to the meeting, so come and join us. We have a lot to talk about as we were unable to hold a meeting in April due to the low numbers who attended. It would be great to see more of you at the meeting this month.

At this next meeting we'll be taking nominations for our committee, so if you want to be more involved in the organisation either nominate yourself or get someone to nominate you. This is your club and if it's not going in the direction, you want it to go now is your opportunity to get involved. The election of the committee will be done at our AGM which will be held in August this year.

So that's about all I've got at the moment, and we'll see you all next Wednesday, 8 June.

*Bruce Morisset – President*

## WH&S Report

A busy few months have passed, and we now have a month to relax and prepare ourselves for the upcoming winter season of motorsport. We have been lucky so far, although it's been a bit chilly, we have managed to not get a real rainy-day trackside yet.

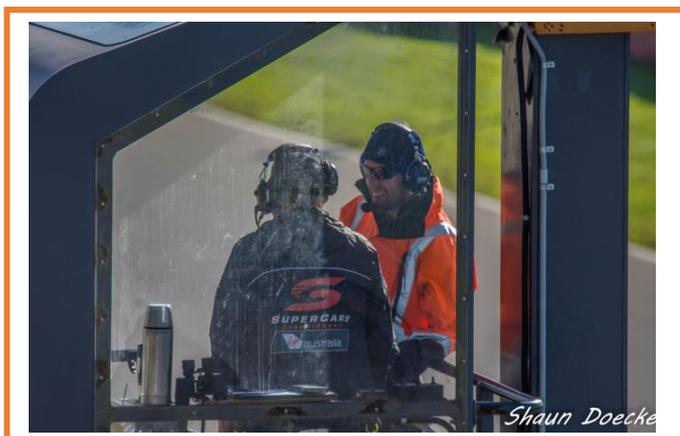

This is a good time to review your winter wardrobe for the track including checking your wet weather gear, check for holes, mould and that it still fits 😊. There are some good value wet weather jackets and pants available from both outdoor camping stores and department stores, you don't have to spend heaps of money, so long as it keeps you warm and dry and is preferably orange Hi-Viz in colour.

If you are trackside on a cold day a good idea is to take a flask of either a hot drink or soup with you to help keep you warm during the day.

The WHS Policy has recently been updated, please take the time to have a read and if you have any queries or health and safety issues do not hesitate to contact me.

*Cathy Sinton*

## T&CC Report

Hi all, well we had a busy 5 months filled with motorsport and I like to thank you all for coming out to volunteer your time help run the events.

So, this month of June we don't have any events apart from the ones who are travelling up to Darwin for the Supercars and to get away from our winter for a week.

I like to remind everyone now we are in the winter months of motorsport we should be preparing to get out the thermal wear to keep warm out track side as well as wet weather gear, that should be packed in your bags at all times.

The T&CC has been organising a Seniors training day that is open to everyone, which will be held in July, date to be confirmed via our database the venue will be the SCCSA.

Just reminders for upcoming SAMROA events can you please place your name on the database or contact the chief flag or the assistant chief flag to place your name for the event.

Upcoming events we have

**9<sup>th</sup> & 10<sup>th</sup> July SCCSA State Championship Round 3 at Mallala**

**Chief Flag is Cathy Sinton & Ass. Chief Flag is Shaun Halliday**

**24<sup>th</sup> July Superkarts/Regularity at Mallala**

**Chief Flag is Karl Fleming**

**This is not a SAMROA event, you must register directly (*form attached to newsletter*).**

**29th - 31st July: Supercars OTR SuperSprint The Bend**

Surprisingly we still don't have enough people to run this event sufficiently.

So, if you know anyone who hasn't registered and wants to do this event get them to fill out the registrations and send it through straight away.

Hope to see you out at a race meeting enjoying what we love doing, being involved, working as a team, and we never stop learning.
