President's Prattle

Welcome to the August/September Newsletter

Howdy all.

We've come out of the Winter break and had some very good race meetings over the last couple of weeks with our first Supercars event at The Bend from 18 to 20 August 2023 still to happen.

Once we've done this event, we can look forward to the next Supercars event on 23 to 26 November 2023, which will be a darn site warmer than the one in August.

Our next General Meeting, which will be on Wednesday 23rd August 2023, to be held at The Kent Town Hotel, 72 - 76 Rundle Street, Kent Town starting at 1930 will be our AGM, where I'll declare all positions of the committee vacant and accept any nominations on the night.

As I have mentioned before I will not be standing for president or any other position on the committee, and Leslie Atkinson will be standing down from the committee as well. This means there are at least two positions on the committee which will need to be filled, along with the usual positions.

I'd like to thank all the members for the support they have given me over the last 2 years and trust that they will continue to support the new president and his committee. Also, I'd like to thank the committee for their support as well especially Ray McGuinness for coming in and doing the treasurer's job at short notice.

The committee and some others arrive around 6:15pm to have a meal and get together prior to the meeting, so come and join us.

Our 45th annual dinner is being held on 2 September. Refer to additional information in this newsletter. Hope to see you all there on the night.

So that's about all I've got for now, and we'll see you all on Wednesday, 23rd August.

Bruce Morisset – President

Nominations have been received for the following positions: -

Position	Nominee	Proposer	Seconder	Accepted
SAMROA President	Owen Smith	Bruce Morriset	Rod Mountifield	Accepted
Vice President	Brad Morrison	Owen Smith	Kim Morrison	Accepted
Secretary	Linda Baker	Owen Smith		TBC at next meeting
Assistant Secretary				
Treasurer	Alec Donnon	Owen Smith	Cathy Sinton	Accepted – was withdrawn on 1/8/23
Treasurer	Ray McGuiness			Declined
Committee Member	Joshua Young	Owen Smith	Alec Donnon	Accepted
Committee Member	Jackie Schlein	Cathy Sinton	Joshua Young	Accepted
Committee Member	Julie Finn	Cathy Sinton	Rod Mountifield	Accepted
Committee Member	Cathy Sinton	Brad Morrison	Julie Finn	TBC at next meeting
Committee Member	Graham Church			Declined
Committee Member	Matthew Avery			Declined

As you can see there are a number of positions with no nomination, if you have an interest or know someone who is interested or you feel they would be suitable for any position have a chat with them and encourage them to consider nominating for a position – nominations will be taken at the meeting prior to voting – You must be a financial member to both vote and be e member of the committee in any position.

Come along to the Annual general meeting and have your say in who/how the club is run over the next 12 months.

T&CC Report

Well it has been a busy month or so for the club with state rounds and Superkarts and Modern regularity events being held at Mallala, as always, we are seeking more members to come trackside as numbers have been down in the last couple of events. We have been able to see some members start to learn new positions trackside, and the T&CC are working on a list of potential members to be trained in new positions next year, but this will not happen unless we have more members trackside and people fill in their feedback forms correctly and let us know what you might like to try.

The committee are working on a few things in the background which will become more evident as the months go by. We will be running fire extinguisher training soon, this will be available to financial members only comprising of an on-line theory module which will be facilitated using our on-line training, once that is completed you will be invited to participate in the practical training. You can only complete the practical training if you have completed the on-line theory training. There will be a few more on-line training sessions in the coming months to help financial members improve their knowledge.

After the AGM nominations will open for the T&CC for the coming year, please remember you require a minimum of a bronze license to be on the committee so if you're interested and want to know what the committee does please have a chat to a members to find out, for all that are attending the OTR Supersprint have a great time and stay safe and will catch you all trackside.

Kim Morrison & T&CC Members

The Bend Events:

There are some changes to the way members need to register and log in for some events at The Bend.

The Bend Motorsport Park has set up Better Impact for all upcoming events promoted by The Bend Motorsport Park. This includes the OTR Supersprint.

Could all SAMROA members who are attending each event register using the Better Impact portal. Please find below links for each event.

The login details that you have used for Supercar promoted events (The VALO Adelaide 500 etc) will be what you can log in with for the events held at The Bend as well.

SA Motorsport Series Round 2 <https://bttr.im/ilbo8>

SA Motorsport Series Round 3 <https://bttr.im/98phi>

The Bend Classic 27-29 October 2023 <https://app.betterimpact.com/PublicOrganization/4ea17873-457e-4afa-9bc5-9f2a8c5f7412/ActivityCategory/230428/1>

Please also continue to place your name on the SAMROA database for these events so T&CC and Chief Flag knows who is attending the event when doing placings.

Our Members Travels

Peter Miller – Townsville 500

Great 3 days for my first Townsville 500, when we arrived earlier in the week. Had 50mm rain in one day but luckily it was great weather for weekend racing. Was at turn 12 just before 13 sweep onto bit straight, had a team of 4 at post including the senior all got along well & hoping to tee up with some at the Adel 500 In November. Plenty of incidents between 11 & 12 especially the Aussie racing cars & the Toyota 86 category & plenty of reports to do + a lot of time on track cleaning debris. The supercars were pretty well behaved a couple of spins & door bashing but Mainly clean racing. Would recommend anyone thinking of doing Townsville to make sure they do, very well organized & run event & they do look after the officials.

Thanks Peter Miller

Social Committee Report

Hi all,

It's getting close to that time of the year again where we will be celebrating the 45th birthday of SAMROA. **The date will be 2nd September 2023 – The Windsor Gardens Hotel . – See invite in elsewhere in the newsletter.**

We encourage you all to come along and enjoy a night free of flags, incident reports and any oil spills, and enjoy a night of relaxation and socialising with fellow members.

We are also looking for anyone to join the social committee, if you or your partner is interested please feel free to chat with our president or any member of the committee, this is a great way to be apart of the club possibly with out having to go trackside.

Regards

Social Committee

Promotions Report

Hi all,

As usual we are always on the lookout for opportunities to promote SAMROA. With this comes the need for members to assist. Thursday 17th August will see myself and Owen Smith attending nearby the Supercars Drivers Signing in Murray Bridge.

If anyone is available to assist, please contact Owen or Deb, your help will be greatly appreciated.

Many Thanks to all who have helped over the years, it is appreciated and valued.

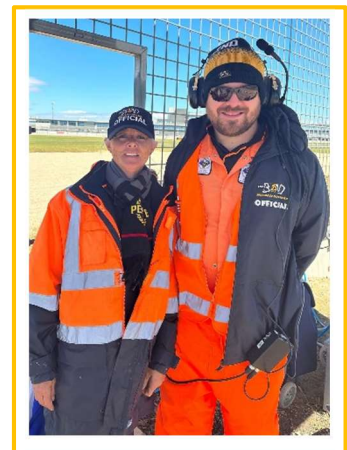

Look forward to what the new committee will be planning and keep supporting your association - SAMROA

Regards

WHS Report

Its been a seemingly long winter and as we hope that the warmer days are coming we unfortunately still have a few more cold days ahead. When we are trackside there are a few things, we can do to keep us warm.

- Bring a flask of hot drink (coffee, Milo, Tea etc) or soup.
- Wear clothing that is suitable for your task, thick jumper, thermal underwear, long sleeves, beanie etc
- Wear wet weather clothing, even if its not raining, it will keep the cold wind off you
- Gloves, scarf beanie if possible.
- Try not to sit down too much as this can increase the coldness you feel, try to keep moving.

Track updates:

The Bend are continuing to work through the issues we have raised with them regarding the marshal post, they have begun replacing the metal boxes at the post, we will see at the next meeting how far they have got.

Mallala has seen some improvements lately with the carpet replaced in race control, there has been some work on mowing the grass around the flag post prior to the last event and you will see that fire extinguishers, brooms and oil soaker is know been kept at the flag post.

We are constantly working with the track owners/manager to raise our concerns. As always if you find something that isn't right, please let the chief flag and/or myself know so we can work with our track owners to get the issue addressed and hopefully enable us all to enjoy and be safe trackside.

Cheers

Cathy

FOR SALE

FOR SALE

Do you want to step out from behind the flags and get on the track or do you or some one you know need another car? If you answered yes or your thinking about it, our club member Alec Donnon may have a car that will enable you to do this. Alec is selling his car as he just don't get enough use out of it anymore.

This is an SP20 variant of the old 323, with the 2.0l engine. Certainly not a 'fast' car, a warm hatch at most, but handles superb on the track.

Has competed in bunch competitive motorsport events over the last eight years such as: Modern Regularity (inc. the Peter Hall Memorial 6 Hr Regularity), Super Sprints & Hillclimbs.

Mechanically sound, good platform to have a bit of fun without spending too many stacks of cash.

What it has:

- Engine was replaced a few years ago
- Gearbox also replaced with a rebuilt unit.
- Cusco Coilovers
- 22mm Rear Sway Bar
- Injen Cold Air Intake
- Custom Straight Exhaust
- Custom Rear Strut Brace / Harness Bar
- Velo GP90 Fixed Bucket Seat
- x2 sets of 16" wheels both with Nankang AR1s. 1 set has done one event, the other has maybe 1 left.
- 6pt Harness (expires end of this year for club events)

What it doesn't have:

- A/C
- Power steering,
- Interior

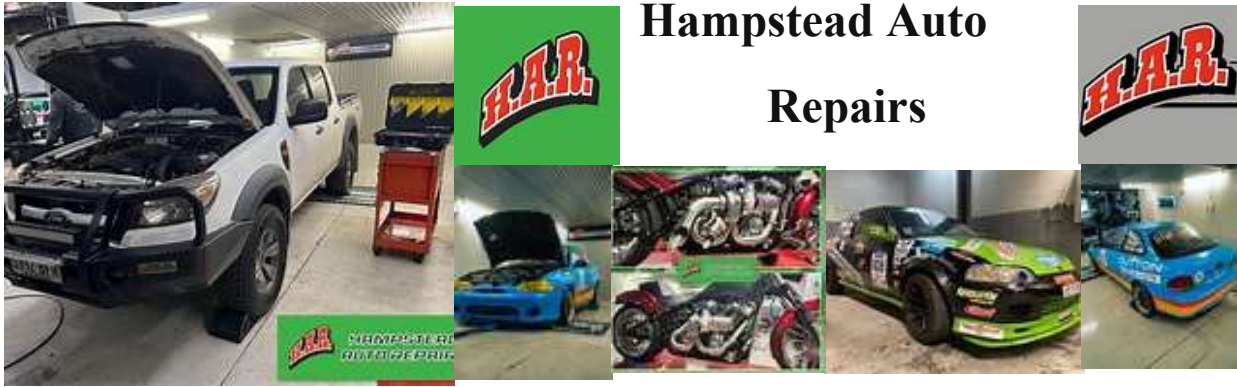

This maybe a great way to get into modern regularity events and possibly kickstart your racing endeavors or to simply have some fun on weekends.

If your interested please contact Alec Donnon, SAMROA member to discuss any further details.

Thank you to these businesses who have supported SAMROA in various ways recently!
