President's Report

Welcome to the October/November Newsletter

Hi Everyone,

Dave Castrechini writing to you on behalf of Steve who is a little snowed under with work at the moment.

First of all, a big thank you to all those that made the trek to the Bend; firstly, for the first weekend and another thank you for those that were able (or silly) to do it again the next weekend. (I've got my hand up here).

There was great racing on both weekends across all classes, even the big guys put on a not too shabby show. Talk about chalk and cheese weather though, it was pleasing to see everyone seemed to be well prepared for the conditions and boy didn't that coffee come at the right time!

Our next General Meeting is Wednesday, 14th October, once again at the SCC-SA Clubrooms commencing at 7;30pm. Firstly, if you want to attend the meeting, we have to run a list like we did at the AGM. Either get your name on the Database or Secretary will have the attendance book on the night. (Please ensure we get your name on one of them please – it is only needed if anyone contracts the “bug” it is simply there so we know who attended).

We all know that the 2020 / 2021 SAMROA T&CC is usually up for re-election this month. With that in mind, if you hold a bronze licence or higher, currently financial (or can join on the night) and want to help organise and put into action training sessions that will help all members and yourself, nominate now. This can be done by contacting the secretary who has the forms, or have someone nominate you on the night. At the time of writing, nominations are: Cathy Croci – WH&S Officer, Kim Wilson and Peter Cirillo. Two members of the General Committee also “sit” on the T&CC and this year it will be Ray McGuinness and Graham Church. (SAMROA T&CC usually consists of 7 members; at this time, we have nominations for 5 positions so room for two more). So, once again, if you know someone who you think would be willing to be on this Committee, nominate them. The more people we have that are eligible, the more depth and points of difference the Committee will have.

Of course, voting in new Committee members this year often means that some of the current members have stood down, and I would like to personally thank them for all the hard work each and every one of them has put in, particularly with the corona virus curve ball they have had to deal with at a training level, so again thank you.

Talking of Committees and also looking a little to the future, come August 2021, the AGM will again be run and voting will happen all over again. Start thinking about who you want to run your club, I stress “*Your Club*” so it is *your* choice, don't waste an opportunity to influence how *your* club can be run. This year there will be a few members standing down also.

The club bags look really good and more importantly are very functional, the criteria was set at the AGM and the roll out has begun with some members using them at The Bend these past two weekends - very stylish. I heard some very positive comments not only from members but others too.

So, to close, don't forget the next General Meeting on the 14th October at the SCC-SA Clubrooms commencing at 7.30pm.

See you all there, well as many as can get there!

T&CC Report – Chris Hutchinson

Hello everyone, well we are truly back into the swing of motorsport now. A big thank you to all members that have attended recent race meetings. It is said all the time but without you there simply is no Motorsport.

Our next event is the Superkarts and Modern Regularity on the 25th of October at Mallala Motorsport Park, followed by State Round 4 at The Bend Motorola Park on October 31st-1st November. Please put your name down if you are able to attend.

The new SAMORA T&CC will be voted in this week on Wednesday the 14th of October. On behalf of the current committee I would like to say a big thank you to everyone for your great feedback and support during these trying times of COVID-19. We have had to put a hold on a lot that we had set out to achieve in 2020, but we will recommend that the new T&CC take on board our plans and ideas and hopefully get the ball rolling on some further training days and courses in 2021.

The rosters we had running this year for Race Control, Starter and Form Up have been a success so far but I'm hoping moving forward these can be expanded on once again.

On a personal note I would like to say thank you to all of you that have supported me on the T&CC over the past 6 years and in the last 12 months as the chairperson. It has been an amazing experience serving on this committee over the years and I have learnt so much, matured and helped my fellow officials achieve their goals and also a few of my own. I encourage anyone that is looking to assist the club on another level and help teach and upskill your fellow members to considering nominating for the T&CC.

Remember the T&CC is answerable to the General Management Committee on all matters and actions throughout the year. Two members from the General Committee step down onto the T&CC as representatives.

If anyone has any questions, issues or concerns about anything please feel free to contact me directly. I'd love to see some different members taking on positions on this committee. I'm happy to help with a nomination or answer any questions you may have.

Reminder that if you are unwell leading up to an event to STAY HOME and inform the Chief Flag. We all want to keep racing and stay healthy.

Hope to see you all on Wednesday.

"Individual commitment to a group effort--that is what makes a **team** work, a company work, a society work, a civilization work." --Vince Lombardi.

WH&S Report – Deborah Squires

What a year 2020 has been. It's been challenging for different reasons and has affected us in varying degrees. From COVID19 causing a lengthy absence from our normal calendar, to the reduction of socializing that we have become accustomed to enjoying. Add into the mix new rules and Government restrictions for attending Events and adapting to new safety measures, I can only say **well done** to everyone. We all know that motorsports can be dangerous but so I think it's a timely reminder to us all that there are pre COVID19 expectations.

First and foremost, there are Motorsport Australia policies and rules that we are **ALL** expected to adhere to and abide by. We are human and we make mistakes.

Motorsport Australia Officials Code of Ethics

- Place safety and welfare above all else
- Accept responsibility for all actions taken
- Be impartial
- Avoid any situation that may lead to a conflict of interest
- Be courteous, respectful and open to interaction
- Seek continual self-improvement through training, performance appraisal and regular updating of competencies
- Be positive role models in behaviour and personal appearance
- Maintain equal opportunity and harassment free sport practices

Motorsport Australia Code of Conduct

- Professionalism
- Good sportsmanship
- Honesty
- Integrity, including not gambling
- Compliance with the law
- Consideration of CAMS, event organizers and key stakeholders
- Compliance to venue rules
- Compliance to health, safety and other issues
- Respect of intellectual property
- Appropriate appearance
- Exercise common sense

Reading through both the **Code of Ethics** and **Code of Conduct** clearly both incorporate our personal safety and welfare whilst complying with Health, Safety and Welfare expectations. It really does come down to common sense and being considerate of others. **SAMROA** is a family of officials and like every family there can be squabbles, however if it goes beyond that and begins to affect our mental and emotional wellbeing and safety it then becomes a problem. A problem, that needs to be addressed. Having said that, this family of officials is quirky, fun, passionate and supportive.

We are all here to have fun, enjoy motorsports and go home safe.

This is my last Newsletter Report and I appreciate and value all that I've learnt from the T&CC. I know that whoever takes over as WHS will have a wealth of knowledge and experience to share with everyone.

Thank you

Deb Squires - T&CC + WHS (Outgoing)

- Harry Day will be finishing with MotorSport Australia on 31 August 2020 due to business re-structure
- Further information on situation with State Office and Business re-structure to be advised. Meeting scheduled with Eugene tomorrow evening. Some panel members are very disappointed of closures and plenty of questions will hopefully be addressed at the meeting.
- Seems to be plenty of licence renewal notification problems stemming from MotorSport Australia people working from home / State office restructures.

STATE OFFICIATING PANEL (SOP) REPORT (Report from State Council Minutes)

- Be Careful on what is posted on Social Media in light of Covid restrictions.
- Government regulations now require a Covid Marshal at all events.

General Business

- It is customary for some money to be put across the bar at completion of tonight's AGM. Secretary (Paul B.) motioned that total be up to \$250.00, Vice President (David Castrechini) seconded – all attendees voted in favour. Carried
- General question asked: If one tests positive to Covid 19 and self isolates. Once cleared of the virus – do they then need to prove any clearance from a health practitioner to return to officiating?

No real yes or no answer to the question but SAMROA would expect that a person does not return until fully fit and that a clearance would be sought as a courtesy.
- 2019 AGM: General Committee Nominations remain open. General committee will be voted in at tonight's AGM.
- REMINDERS:

With no further General Committee / T&CC Nominations at the time, President suggested that General Meeting be temporarily closed to allow 2020 SAMROA AGM to commence.

General Meeting temporarily closed 20:00 (8:00 pm)

General Meeting re-commenced at 20:26 (8:26 pm) – Continued General Business

- Bruce Morisset: Backpacks are a good incentive but feels that the selection criteria to ascertain who receives one, discriminates against some persons who have already “put in the hard yards”

Bruce then was invited to pass a motion that the SAMROA Committee re-assess the criteria to include the SAMROA Life Members. Steve Lewis Seconded the motion.

Before voting, Janelle suggested that if a member has membership less than 5 yrs, it will be necessary to complete 8 days trackside over two consecutive years to be eligible for a backpack.

With no more discussion, a vote was taken and the majority of members voted in favour. BM’s motion was carried and the General Committee will re-assess the criteria at the next Committee Meeting.

- Rod Mountifield asked question re the Motorsport Australia “Return to Racing” guidelines. Suggested that only two officials at each flag post is insufficient and dangerous. Committee is aware of concerns and will continue to monitor – Committee sees that the two officials can be seen as the minimum and also sees no reason why we can’t place more as long as the social distancing rule of 1.5m separation is not compromised.

With no further General Business, the General Meeting was closed at 20:50 (8:50 pm) and returned to AGM to conclude.

Next Meeting: **19:30 (7:30 pm) on 14 October 2020**
